"#1 in Barrel Racing"

National Barrel Horse Association CA District # 20

~ Year End Awards Fund Pledge ~

The National Barrel Horse Association, headquartered in Augusta, Georgia, is the largest barrel racing organization in the world. In 1992, the NBHA revolutionized the barrel racing industry by pioneering the divisional format, which allows riders of all skill levels a chance to win money and prizes in barrel racing competition.

The NBHA is an international equine sport association, whose purpose is to promote the sport of barrel racing and its growth on local, state, provincial, national and international levels. To increase the number of participants, improve the quality and safety of shows, enhance the image of barrel racing. NBHA provides all barrel racers, regardless of age, sex, or experience, the opportunity to compete for prize money, awards and points in local events throughout the year.

Divisional barrel racing, using the 4D format, is the heart of NBHA. Divisional barrel racing gives ALL competitors – from beginners to professionals, from youth to seniors – a chance to compete, learn and succeed in barrel racing. The divisional format encourages riders to improve their skills and work toward the higher divisions, while still having a chance to be competitive.

NBHA members compete at District, State, National and World Championship levels. Each state is divided into competition districts where members compete for money and prizes at a local level.

NBHA CA # 20 is one of the many districts in the state of California and covers San Diego, Orange and Imperial Counties. Our goal is to promote the sport of barrel racing by bringing recognition to our local members for excellent performance. Your pledge goes 100% to the members in the form of the awards program. Thank you for your support.
